Project Description

SME V Fanisi will provide support to the Fund by supporting portfolio value creation and exits of the remaining deals under Fund I. For Fund II, this Advisory project will provide resources to support SME access to the Fund opportunity, guide on better deal generation and structuring for Fund II, and focus on investment strategy, team capacity, and pipeline development. The technical assistance for the Fund will also support Fanisi's portfolio value creation for overall performance. Based on learnings from the first fund, this will target upgrades to SMEs financial and management systems and enhancing SMEs technical expertise for competitiveness.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
