## Project Description

Through this project, IFC will provide Advisory Services and Technical Assistance (in the capacity of an honest broker) to National Bank of Rwanda, the main client and its stakeholders including lenders in order to improve Rwanda's credit reporting system. More specifically, IFC will work with stakeholders to develop and implement a strategy and roadmap for the establishment of a modern state of the art credit reporting infrastructure that integrates existing credit information systems.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
