## Project Description

eThekweni Water and Sanitation is a unit of the eThekweni municipality of the city of Durban. EWS has adopted an ambitious strategy aimed at improving the levels of service, increasing the availability and reliability of water resources, improving energy and operational efficiency, and reducing environmental pollution through a program of Public Private Partnership ("PPP") transactions.

IFC shall provide strategic advisory services to EWS on the implementation of the PPP Program.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
