Project Description

This project responds to requests from governments in Liberia and Sierra Leone for immediate assistance with aligning rules and regulations with the requirements of the WTO Trade Facilitation Agreement. The project will assist the local National Trade Facilitation Committees develop a medium term Trade Facilitation Strategy, and implement reforms in the field of trade facilitation. The goal of the project is to assist government agencies in developing and implementing legal frameworks and processes aimed at facilitating international trade. It will focus on reducing the documents and time to trade for both importing and exporting firms, aimed to fuel economic growth through increased trade and private sector savings.

People Affected By This Project

The goal of the project is to assist government agencies in developing and implementing legal frameworks and processes aimed at facilitating international trade. It will focus on reducing the documents and time to trade for both importing and exporting firms, aimed to fuel economic growth through increased trade and private sector savings.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
