Project Description

The Nigeria Improving Business Environment for Prosperity (NIBEP) project will support investment climate reforms addressing both investment policy and business regulation at the national level and the subnational level including through peer learning among states. The project is designed around 3 Pillars with interventions at Federal (National) and State (Sub-National) level, as follows:

Pillar 1: Deeping and expanding business environment reforms

Pillar 2: Strengthening Investment Policy and Promotion

Pillar 3: Fostering Enterprise and Sector Development

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
