Project Description

This project provides environmental and social governance (ESG) advisory services for firms in Europe and Central Asia. This includes raising awareness of ESG issues, improving ESG standards in regulatory frameworks, local institutional capacity building for the promotion of good ESG practices, assisting companies in improving their ESG standards, and promoting ESG as key considerations in the financing decisions of banks and other investors.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
