Project Description

According to IFC website, the Project will focus on revamping the business model, and transforming the bank into a commercially viable and sustainable institution. These efforts will entail strengthening the Bank's operations, improving the profitability structure, corporate governance, risk management to sustainably expand outreach to MSME sector. It intends to support the institutional transformation of Ipoteka-Bank, to turn it into valuable business, operating as sustainable commercial institution under the effective profit making business model. The ultimate goal is to help attract a strategic foreign partner to take the transformed institution into the next level of sustainable development with the focus on supporting MSMEs in the country.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
