Project Description

According to bank documents, the overall goal of this project is to support manufacturing firms in Sub-Saharan Africa to develop their operations to best industry practices, increasing their productivity, revenues and inclusion into regional\global value chains. This, in turn will support development of regional champions, value added manufacturing and investment prospects of participating firms. The project will conduct:

- i. scopings of selected clients' operation to establish an understanding of the management and operational challenges and deliver a road map and recommendations for improvement initiatives; and
- ii. structure and deliver in-depth advisory support in implementation of recommended improvement initiatives.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
