## Project Description

With a broader aim of improving Ethiopia's logistics landscape by among others reducing the time and cost of trade, the project aims to support the Ethiopian Customs Commission and the Ethiopian Maritime Affairs Authority in the implementation of improved customs services as well as the implementation of the recently adopted National Logistics Strategy (Sept 2018).

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
