<b>Project Cost (USD)</b>	\$ 1.75 million

---

## Project Description

According to bank documents, the project will provide support to the Governments of Cote d'Ivoire and Senegal, and promote peer-to-peer learning and advocacy activities in West Africa to further the adoption of warehouse receipt financing in order to scale up structured trading and improved access to finance and to professional storage opportunities for agricultural value chain actors and stakeholders, such as producers and agribusiness MSMEs.

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
