Project Description

The project targets to improve the financial management practices of MAS potential and portfolio investment clients through a set of designed advisory tools focusing on four main technical pillars: i) Improve Finance Department Structure; ii) Improve Working Capital Management Practices; iii) Review and upgrade client's MIS; iv) Support compliance with IFRS and/or local GAAPs. The project aims to assist clients in enhancing its operational efficiency, profitability and improve bankability and access to capital markets.

Investment Description

• International Finance Corporation (IFC)

No contact information provided at the time of disclosure

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
