Project Description

According to IFC website, the IFC Advisory Services has helped Kirene with a supply chain strategy that proposes a phased approach to: 1) building the capacity of the Company's dairy team to manage its supply chain; 2) strengthening Good Agriculture Practices (GAP) including food safety practices at both commercial and smallholder farms; 3) helping professionalize farmer cooperatives; and 4) supporting L'Association Nationale pour l'Intensification de la Production Laitiere (ANIPL) and its 100-member commercial farms to professionalise. It aims to:

- 1. To strengthen to manage its supply chain
- 2. To improve farm and herd management
- 3. To strengthen to run as professional business entities.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
