IFC-603178

Quick Facts

Countries	Brazil
Financial Institutions	International Finance Corporation (IFC)
Status	Active
Bank Risk Rating	U
Voting Date	2019-09-12
Borrower	Uknown
Sectors	Agriculture and Forestry
Investment Type(s)	Advisory Services
Project Cost (USD)	$ 950.00 million

Project Description

This project will support IFC's client to develop a more traceable and sustainable soy supply chain in Brazil's MATOPIBA region and to promote sustainable management practices.

People Affected By This Project

This project is expected to increase the area of sustainably managed land in Brazil's MATOPIBA region by tracing soy production and indirectly limiting unsustainable soy supply from entering the market

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
