Project Description

According to the bank document, "IFC will advise Pham Ngoc Thach University of Medicine in structuring and tendering a public-private partnership project for an outpatient care and training facility in Ho Chi Minh City. The private partner will be expected to construct, equip, maintain, and provide non-clinical facility management services.

The Project is expected to provide improved access to quality health services for the people of HCMC and to result in private investment in HCMC's health services and infrastructure".

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
