Project Description

The objective of this engagement is to support BABF developing an agri value proposition which will allow the bank to target and finance agri value chains in Burkina Faso, specifically the cotton value chain, through innovative DFS products and solutions. The project will help enhance financial inclusion in Burkina Faso, especially for smallholders farmers by partnering with a strong financial institution with national outreach.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
