Project Description

According to the bank document, "the goal of this project is to support McCormick in building a 100 percent sustainable, traceable, certified, and quality-compliant pepper supply chain in Vietnam. Through the project, IFC-led activities will assist the McCormick's partner companies in Vietnam in establishing systems, testing and documenting improved production practices, applying integrated pest management (IPM) and tracing these changed patterns to support the certification of pepper farmers as a way for McCormick to reach its goal of building a 100 percent sustainable pepper-supply chain in Vietnam.

The partnership with suppliers in Vietnam will benefit smallholder farmers, including women farmers by the end of project implementation through various interventions and key activities described below: (1) Strengthening the capacity of the lead firm's suppliers; (2) Building the capacity of farmers through training; and (3) Development and Implementation of Supplier Sustainability Matrix (SSM)."

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
