## Project Description

Digital2Equal will seek to bring the first global gender engagement to this new focus on new platform economy. It will build on recent IFC research for “Driving Toward Equality: Women, Ride-hailing, and the Sharing Economy,” which combined company data with surveys of over 11,000 riders and drivers across six countries and represented the first global study on women and the platform economy, by expanding partnerships and analysis across sectors. The initiative will target platforms that facilitate the exchange of goods, services, or capital.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
