Project Description

The World Bank Group’s Kenya Investment Generation Project is one of three projects under the umbrella Kenya Competitiveness Enhancement Program whose main goal is to strengthen Kenya’s competitiveness and market creation potential through targeted private sector enabling interventions. Specifically, the Kenya Investment Generation Project will help catalyze new investments into special economic zones (SEZ) and industrial parks by developers and enterprises by: streamlining the legal, regulatory and administrative environment for SEZ development; boosting industrial competitiveness by creating an environment for investment in quality and market demand driven industrial infrastructure; addressing targeted sector specific investment constraints to boost value addition and manufacturing; institutional support and capacity building of Special Economic Zones Authority and targeted national and county government agencies technical staff to ensure they are equipped with the tools to deliver SEZ regulatory oversight and investor facilitation; and investor targeting and investment promotion.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
