Status	Active
Bank Risk Rating	U
Voting Date	2019-03-08
Borrower	Government of Botswana
Sectors	Law and Government, Technical Cooperation, Water and Sanitation
Investment Type(s)	Advisory Services

Project Description

According to bank documents, IFC has been invited by the Ministry of Minerals, Energy and Water Resources to assist the WUC (jointly, the Client), in structuring and tendering a Public-Private Partnership (PPP) transaction for the rehabilitation of the existing Glen Valley WWTP, the development of a greenfield reclamation plant with indicative capacity of 14.6 Mm3/year (40 MLD), and the operation of both plants.

The scope of work will include:

i. Phase 1: update the existing detailed technical feasibility study, undertake a legal/regulatory, commercial and financial due diligence and a Environmental & Social scoping study;
ii. Phase 2: assist the Client in managing a transparent, competitive bid process for the selection of the private investor(s).

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
