Project Description

According to the bank, this is a hands-on acceleration program that will support senior-level FI clients in understanding the fundamentals of digital transformation, enrich their visions to transform, and prepare for digital success through adaptations of their operating models. The program uses a Digital House framework that articulates the path to digital transformation incorporating a digital vision, customer-centric, digital operating model, emerging technologies, and innovation. In addition to theoretical knowledge and methodologies regarding digital transformation, real-life examples of success stories and networking opportunities in workshops.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
