## Project Description

This is an SME Banking Advisory Services project with Gulf African Bank designed to increase access to finance to the underserved SME and WSME market segment. The project will focus on competency assessment, opportunity sizing and product program development for SME Banking.

---

### People Affected By This Project

The IFC advisory services project with Gulf African Bank is expected to increase access to finance opportunities for the local SMEs including women in Kenya. The SME sector plays a very important role in creating jobs and fostering sustainable economic growth.

---

## Investment Description

- International Finance Corporation (IFC)

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
