Financial Institutions	International Finance Corporation (IFC)
Status	Active
Bank Risk Rating	U
Voting Date	2019-12-03
Borrower	Federal Democratic Republic of Ethiopia
Sectors	Finance
Investment Type(s)	Advisory Services
Project Cost (USD)	\$ 2.50 million

---

## Project Description

The project has three different but interconnected components focused on: 1) Legal and regulatory reform aimed at reduced entry barriers and enhanced operational efficiency/competition, 2) International benchmarking and targeted investment promotion in prioritized sectors, and 3) Strategic engagement and further consolidation of institutional capacity and coordination.

---

## People Affected By This Project

The project aims to increase investment attraction in Ethiopia by reducing entry and operational barriers, and strengthening institutional capability. Specifically the project will contribute to the opening up of new sectors for FDI participation as well as generation of new investments.

---

## Investment Description

- International Finance Corporation (IFC)

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
