## Project Description

According to the bank's website, "The project will support effective legislative and regulatory reform in credit infrastructure to strengthen creditor rights and depth of credit information. The project will consist of two major components to be implemented to strengthen the credit reporting and STCR framework in Nepal:

Component 1: Strengthening the Credit Information System

Component 2: Developing the Secured Transaction and Collateral Registry (STCR) Framework for Enabling MSME Lending"

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
