Voting Date	2019-08-12
Borrower	Government of Brazil
Sectors	Climate and Environment, Energy, Technical Cooperation
Investment Type(s)	Advisory Services
Investment Amount (USD)	$ 0.58 million
Project Cost (USD)	$ 0.58 million

Project Description

The project is expected to (i) reduce Feira de Santana municipality’s consumption of electricity and greenhouse gas emissions, including CO2, through the use of energy-efficient lights and advanced street lighting management systems; (ii) expand street lighting services to underserved communities in the municipality; (iii) reduce safety risks related to poorly lit streets; (iv) improve lighting quality and lower the frequency of service interruptions; (v) improve infrastructure for the illumination grid, modernizing it and integrating features as previously developed in smart cities; and (vi) promote overall urban improvements.

People Affected By This Project

With a particular focus on enhancing street lighting services and lowering GHG emissions, this transaction is expected to improve urban infrastructure quality and service provision, contributing to the safety of Municipality's inhabitants. The project is expected to (i) reduce Feira de Santana municipality's consumption of electricity and greenhouse gas emissions, including CO2, through the use of energy efficient lights and advanced street lighting management systems; (ii) expand street lighting services to underserved communities in the municipality; (iii) reduce safety risks related to poorly lit streets; (iv) improve lighting quality and lower the frequency of service interruptions; (v) improve infrastructure for the illumination grid, modernizing it and integrating features as previously developed in smart cities; and (vi) promote overall urban improvements.

ACCESS TO INFORMATION

You can submit a request for information disclosure at: https://disclosures.ifc.org/#/inquiries

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org
