## Project Description

According to the Bank's website, this project provides advice from the IFC to the Government of Uzbekistan in preparing and implementing a competitive tender for design, financing, construction, operation and maintenance of a new 1,200-1,500 MW combined-cycle gas turbine power plant next to the existing Syrdarya TPP, under a Public-Private Partnership (PPP) model.

---

## Investment Description

- International Finance Corporation (IFC)

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
