<b>Project Cost (USD)</b>	\$ 3.00 million

---

## Project Description

IFC will support the Ministry of Finance issue two new full-service telecommunications licenses, in line with the objectives of the Government of Ethiopia to liberalize the telecommunications sector.

---

### People Affected By This Project

The introduction of competition into the telecommunications sector by the issuance of two new-full service licenses is expected to increase access and improve quality of service.

---

## Investment Description

- International Finance Corporation (IFC)

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
