Project Description

According to bank provided information, the Government of Jordan, through the Ministry of Digital Economy and Entrepreneurship, aims to engage the private sector to expand, finance, operate and maintain the National Broadband Network (NBN) and act as a wholesale player by commercializing the network spare capacity on a PPP basis. IFC will act as Lead Transaction Advisor to the Government of Jordan for this Project.

The National Broadband Network (NBN) Project is expected to take a stride beyond its current infrastructure so as to (i) provide high-speed internet connectivity to additional public entities, as well as to households and businesses by commercializing NBN’s spare capacity and (ii) mobilize private sector investment for the network's expansion and upgrade.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org
