Project Description

The goal of the TechEmerge Sustainable Cooling Cities LAC Project (the Project) is to accelerate uptake of innovative cooling solutions in LAC region by leveraging Cities as a platform for multistakeholders and multisector engagement to enable scale and impact. The project will focus on working in Colombia and Mexico with private and public stakeholders that operate in cities. The Program will pair local companies with tech companies from around the world to test new cooling solutions in a variety of sectors that can increase efficiency, reduce GHG emissions, improve accessibility, and/or decrease costs of cooling services

ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
