Project Description

The IFC-UK Market Accelerator for Green Construction Global Program will contribute to GHG emission reductions by enhancing IFC’s green building certification system and stimulating the increase of green building certification. Activities will include private sector capacity building with developers, designers and financial intermediaries and EDGE platform maintenance and development. IFC’s EDGE green building certification system and free design application is central to the Program as a design tool, an educational aid, and an affordable certification method which can recognize different levels of ambition, right up to Zero Carbon emissions.

People Affected By This Project

The IFC-UK Market Accelerator for Green Construction Global Program will contribute to GHG emission reductions by enhancing IFC’s green building certification
system and stimulating the increase of green building certification in countries where IFC does not have an in-depth market level intervention. IFC will build up the
momentum from existing green building clients in worldwide countries to push further for green building adoption. Activities will include private sector capacity
building with developers, designers and financial intermediaries and EDGE platform maintenance and development. IFC’s EDGE green building certification
system and free design application is central to the Program as a design tool, an educational aid, and an affordable certification method which can recognize
different levels of ambition, right up to Zero Carbon emissions.

ACCESS TO INFORMATION

You can submit a request for information disclosure at: https://disclosures.ifc.org/#/inquiries

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org
