Countries	South Africa
Financial Institutions	International Finance Corporation (IFC)
Status	Active
Bank Risk Rating	U
Borrower	*Borrower information not provided at the time of disclosure*
Sectors	Technical Cooperation, Water and Sanitation
Investment Type(s)	Advisory Services
Project Cost (USD)	$ 1.35 million

Project Description

According to bank provided information, the Water and Sanitation ("EWS") unit of the eThekwini Municipality has embraced a strategy to develop Durban's urban water and wastewater treatment infrastructure through a program of Public Private Partnerships (the "PPP Program").

IFC transaction advisory will support the structuring and bidding of a key PPP transaction: the design, financing, construction and operations of two greenfield wastewater treatment works at uMdloti and uMkomaas.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
