Project Description

According to bank provided information, the IFC-UK Market Accelerator for Green Construction Program for Africa will contribute to GHG emission reductions targeted by the governments of South Africa, Ghana, Kenya and Cote D'Ivoire through the promotion of certified green buildings. Activities will include public policy dialogue, private sector capacity building with developers, designers and financial intermediaries, and support for academic and professional training programs. IFC's EDGE green building certification system and free design application is central to the Program as a design tool, an educational aid, and an affordable certification method which can recognize different levels of ambition, right up to Zero Carbon emissions.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org
