Project Description

According to the Bank’s website, the objective of the project is to improve Tanzania’s SME Agency, SIDO (Small Industries Development Organization) to help support and grow the SME sector. There are two streams of activities to support the development of SIDO. The first is to improve its operational efficiency to ensure that SIDO is spending its resources on programs and activities that have a contributive value to growing SMEs, this will entail systems improvements for better client management of SMEs and data collection, as well as analysis of specific programs. The second stream is focused on SIDO’s program offerings, particularly to update its offerings and services to be more in line with global best practices, and to play a stronger facilitating role in strengthening the SME ecosystem.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org
