## Project Description

According to the IFC, the 30x30 Zero Program seeks to increase financial sector financing for climate projects aligned with the country's NDC goals. The Program's sub-objectives are: i) Increase the average climate portfolio over the total portfolio in the 6 target banks (in %, from 3.5% to 9.5%, and in absolute figures, from \$8,222 million to \$27,145 million, from 2022 to 2027). ii) Decrease the exposure to coal supply chain in the portfolio of the 6 target banks (from 1 to 6 banks that have measured the carbon intensity of portfolios of power generation and steel production, and established decarbonization targets, from 2022 to 2027) iii) Support the development of the sustainable capital market in particular through the issuance of green and climate thematic bonds (issuance of \$204 million of green and climate thematic bonds, by an FI or real economy corporate, by 2027) iv) Facilitate IFC climate financing to Mexican banks (\$300 million of Value of financing facilitated, by IFC and/or other investors, by 2027) The above sub-objectives will be achieved through the following 5 components: 1. Develop climate-focused ESG public policies with regulators and supervisors, including the development of a national sustainable taxonomy (WB to lead) 2. Contribute to the development of the sustainable capital market, with a focus on climate, targeting institutional investors, especially pension funds. (IFC FIG to lead) 3. Support a priority sector (NDCs) of the real economy. (IFC CBD to lead) 4. Accompany the climate transformation of 6 target banks (increase green business and incorporate climate risks). (IFC FIG to lead) 5. Sensitize and train the financial sector to increase climate finance.

### ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

### ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org) You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
