Project Description

As stated by the IFC, the project will work with the Ministry of Trade and Industry and other stakeholders in development and implementation of an institutional framework to underpin the effective implementation of the Control of Goods Act.

The project will be implemented within two components namely:

I. Policy review of institutional structure for COGA implementation: This component will focus on the effectiveness of the licensing regime, drawing of regional and global lessons, and reconciliation and modalities of data on exports, and the National Food Balance Sheet, respectively; and

II. Reform implementation and capacity building: This component will support the development of procedures for implementation and institutional coordination, regulatory reform, automation, awareness and public-private dialogue.

The project is expected to lead to an increase in export of maize by 10%.

ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
