Project Description

According to bank provided information, this Project seeks to support IPEC in providing an enabling environment for agricultural/climate insurance for Zimbabwean farmers by:
1. Improving IPEC's understanding of the current market status by conducting a market assessment to assess key climatic risks that farmers are exposed to, their demand for insurance, the capacity and appetite for climate insurance within the insurance industry, and the current enabling environment.
2. Strengthening IPEC's capacity to supervise the agri/climate insurance market through knowledge exchange facilitation, and provision of guidance in the development of a suitable regulatory framework.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org
