Project Description

As stated on the bank's website, the IFC will work alongside the Brazilian National Development Bank to advise three to five mid-sized Brazilian municipalities on the structuring and implementing projects in the modality of public-private partnerships (PPPs) to improve reach and quality of primary public healthcare facilities that are part of the Sistema Único de Saúde, the Brazil's Unified Health System. The PPPs will include the design, retrofit and/or construction of the facilities and provision of non-clinical services. The inclusion of some clinical services may also be considered by some of the municipal governments during project development. This initiative is supported by the Federal Investment Partnerships Program.

ACCESS TO INFORMATION

You can submit a request for information disclosure at: https://disclosures.ifc.org/#/inquiries.

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
