Project Description

According to the IFC, this Project aims to accelerate the private sector's green transition in the project countries. The Project will cover the IFC Europe region with a focus on the Western Balkans, Ukraine, Moldova, and South Caucasus as well as Eastern EU member states.

In manufacturing, the Project will focus on hard-to-abate sectors such as glass, steel, cement, chemicals, aluminium, and construction materials, in addition to e-mobility and battery value chains. In tourism, retail and property, the Project will further promote the greening of industrial and commercial real estate portfolios, as well as promote the adoption of circular business models across the manufacturing, agribusiness and services sectors.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
