Project Description

According to the IFC, the goal of this project is to enhance the efficiency of the upstream and downstream supply chain of ETG in Zambia and improve: (i) its access to key target crops such as maize and soybean (others may be added) and (ii) its input sales. This will be done by enhancing the in-house trainer capacity of ETG who will then build the capacity of select intermediaries which support ETG's inputs distribution system and/or manage crop aggregation for ETG.

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
