Project Description

As stated on the project disclosure page, the IFC's PPP Transaction Advisory Services Unit will assist the Kyrgyz Government in structuring and implementing of a PPP transaction for the power sector. The PPP contract(s) will include the design, construction, financing and operation of a solar power park with a capacity of up to 500MW. The IFC would apply two-phased transaction implementation approach. In Phase 1, IFC will carry out due diligence analysis of the project, assessment of investors' interest, and the transaction structuring. In Phase 2, IFC will draft the tender documentation and support the Clients in implementation and conclusion of the tender process. The Project will be implemented in stages, the first being launched for a 100-150 MW capacity.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
