Project Description

According to bank provided information, IFC will assist Gafsa Phosphate Company with the preparation and delivery of its Green Private Sector Participation Program for the phosphate sector. The Project may include a slurry pipeline to transport the phosphate along with a desalination plant to secure water needs for the industrial process. IFC would also support the government in the selection of one or several suitable private partner(s) to implement the Project.

Investment Description

- International Finance Corporation (IFC)

Contact information not provided at the time of disclosure

ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
