Project Description

As stated on the IFC's website, on May 8, 2023, the International Finance Corporation entered into a Joint Cooperation Agreement with the Abu Dhabi Uzbek Investment Company to foster private sector investments. This partnership aims to drive private sector development in Uzbekistan and facilitate South-South investments, which play a vital role in supporting emerging markets by facilitating the transfer of standards, knowledge, and successful business models. By leveraging the expertise and resources of both organizations, we aim for this collaboration to significantly contribute to the growth and prosperity of Uzbekistan's private sector while further strengthening the economic ties between the two countries. The aim of the project is to develop a pipeline of investment projects in Uzbekistan through joint business development in various sectors including manufacturing, agribusiness, tourism, retail, property, health, and education.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
