## Project Description

According to the Bank's website, the project aims to support CROWDE develop and refine credit scoring models to assess farmers' and input dealers' credit worthiness and cashflows. These will be implemented directly by CROWDE or in collaboration with other banks.

This project will help improve access to finance in the agricultural sector, which will promote the modernization of the agricultural sector in Indonesia. In five years, the project plans to support CROWDE disburse financing for farmers and small agribusinesses. Approximately 30% of the loans will target women owned businesses in rural areas.

## Contact Information

No contact information provided at the time of disclosure.

### ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

### ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org) You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
