## Project Description

As stated on the project disclosure page, the IFC is supporting the City of Johannesburg with a procurement review, specifically a review of a sample of projects implemented by the City, and development of recommendations to help the City improve its procurement practices.

IFC's advisory engagement with the City of Johannesburg will help assess the City's procurement-related risk and develop recommendations for the City to improve its procurement practices, which should help better position the City to access long-term commercial financing.

If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org) You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
