## Project Description

Projeto ONE is a joint initiative by the Brazilian Association of Private Equity and Venture Capital (ABVCAP), Heidrick & Struggles, and the International Finance Corporation (IFC) aimed at promoting gender equality in the alternative investment industry in Brazil. The project brings together fund managers, institutional investors, and women professionals in the Private Equity and Venture Capital industry in Brazil to, through research, training, and strategic actions, identify and contribute to overcoming gender inequalities, disseminate best practices, and create opportunities for value generation in the industry, highlighting the business case for gender diversity.

## ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>.

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

## ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
