Project Description

According to the IFC disclosure statement, the project will provide advisory support to DBH to finance green housing projects, including both self-built and developer-built homes. IFC will help DBH build a strong business case for self-built green housing and enhance its capacity to guide customers in achieving EDGE green building certification for self-constructed houses. This will promote sustainable construction and ensure the houses meet the internationally recognized green certification standards. In addition, IFC will facilitate DBH’s collaboration with developers to enhance their ability to deliver certified projects and expand the adoption of green buildings in Bangladesh.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org
