## Project Description

According to the IFC, the Project consists of assisting AySA in managing the various workstreams required to prepare the company for its sale. AySA operates under a concession framework in an area that covers the City of Buenos Aires and 26 surrounding municipalities, totaling 15 million inhabitants. This initiative is a top priority for the Government of Argentina, as it seeks to enhance operational efficiency and support the gradual expansion of water and wastewater services to underserved areas. Ultimately, the project is expected to deliver improved service quality for the population.

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

## ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org) You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
