## Project Description

The proposed project includes: a partial credit guarantee of up to 28.5 billion Guaranies ("PYG") to be issued in favor of the Instituto de Prevision Social ("IPS"). IPS will provide a loan in Guaranies to Banco Familiar S.A.E.C.A. (the "Loan") for up to PYG27 billion, and the Inter American Investment Corporation ("IIC") will grant a guarantee in favor of IPS covering the credit risk of Banco Familiar ("Guarantee") under the Loan. The IPS disbursement will be made through a Trust Manager, Agencia Financiera de Desarrollo, through whom IPS will receive payments for the Loan. The Loan will have a term of up to five years, with a grace period of up to two years, and semi-annual amortization. The use of funds for the Loan will be to finance small and medium enterprises ("SMEs") in the productive sector of Paraguay.

### ACCOUNTABILITY MECHANISM OF IIC

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
