As of August 2017, Locfund II has provided local currency loans to 47 MFIs that attend more than 1.3 million final clients in 13 countries of LAC. Locfund II has reached its initial targeted size. The IIC, as member of the IDB Group, will support Locfund II's expansion through a Loan of up to US\$10 million. Thus, the number of MFIs reached and final clients benefited will also increase. Locfund II expects to increase the number of MFIs' clients by 13% totalizing 241,000 final beneficiaries during its life.
