According to bank documents, on December 17, 2017, MIGA issued a guarantee for \$6.93 million for the equity investment in assets by Palestine Real Estate Investment Company (PRICO) in its subsidiaries, PRICO Operating and Maintenance Ltd. in the West Bank and PRICO Contracting and Trading Ltd. in the Gaza Strip. The investor applied for a guarantee under MIGA's West Bank and Gaza Investment Guarantee Trust Fund and under MIGA's Conflict-Affected and Fragile Economies Facility for a period of up to 10 years against the risks of transfer and convertibility restrictions, expropriation and war and civil disturbance, including temporary loss of income.

The Project involves the development, financing, construction, operation and maintenance of a 7 MWp rooftop solar photovoltaic (PV) power plant being developed by PRICO, the Guarantee Holder, located inside the Gaza Industrial Estate (GIE) in the Gaza Strip. The solar panels will be installed on the rooftops of 32 factories located in GIE. The Project will be implemented by two Special Purpose Vehicles: (i) PRICO Operating and Maintenance Ltd. of West Bank and (ii) PRICO Contracting and Trading Ltd. of the Gaza Strip. The Project will benefit from an IFC A- Loan, an IFC concessionary loan and a World Bank grant.
