Project Description

According to the bank website, the proposed investment "involves a loan to an existing operator of a high voltage transmission line in Cambodia. The lenders have applied for MIGA guarantees covering up to US$76 million of their debt investment into the project. The guarantees will have a term of up to 10 years, providing coverage against the risks of transfer restriction, expropriation, war and civil disturbance and breach of contract. The project will improve the financial viability of the transmission line operator by enabling a loan from international banks on competitive terms."

ACCOUNTABILITY MECHANISM OF MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
